

Margaret E. Beier

Updated 7/2023

Address

Department of Psychological Sciences, MS-25
Rice University
6100 Main Street
Houston, TX 77005
Phone: (713) 348-3920
Email: beier@rice.edu

Education

| | | |
|-------------|-------|---|
| 1999 – 2003 | Ph.D. | Georgia Institute of Technology, Atlanta, GA |
| 1998 – 1999 | M.S. | Georgia Institute of Technology, Atlanta, GA |
| 1984 – 1988 | B.A. | Colby College, Waterville, ME; Honors: <i>Cum Laude</i> |

Professional History

| | |
|----------------------------|--|
| July, 2023 – present | <i>Chair</i> , Department of Psychological Sciences, Rice University, Houston, TX |
| July, 2021 – June, 2023 | <i>Associate Chair</i> , Department of Psychological Sciences, Rice University, Houston, TX |
| September, 2019 – present | <i>Director</i> , Master of Social Policy Evaluation, Rice University, Houston, TX |
| July, 2019 – present | <i>Professor</i> , Department of Psychological Sciences, Rice University, Houston, TX |
| July, 2015 – July, 2020 | <i>Magister</i> , McMurry College, Rice University, Houston, TX |
| July, 2011 – July, 2019 | <i>Associate Professor</i> , Rice University, Houston, TX |
| July, 2004 – July, 2011 | <i>Assistant Professor</i> , Rice University, Houston, TX |
| October, 2003 – June, 2004 | <i>Postdoctoral Research Associate</i> , Knowledge and Skill Lab, Georgia Institute of Technology, Atlanta, GA |
| 1998 – October, 2003 | <i>Graduate Research Assistant</i> , Knowledge and Skill Lab, Georgia Institute of Technology, Atlanta, GA |
| 1998 – 2000 | <i>NSF Fellowship</i> , Graphics, Visualization, and Usability Center and School of Psychology, Georgia Institute of Technology, Atlanta, GA |
| 1997 – 1998 | <i>Undergraduate Research Assistant</i> , Skill Acquisition Lab, University of Minnesota, Minneapolis, MN |
| 1996 – 1998 | <i>President</i> , Clearlogic, Inc. (independent market research company), Minneapolis, MN |

1989 – 1996

Market research analyst and manager of the usability laboratory,
American Express Financial Advisors, Minneapolis, MN

Awards

Presidential Mentoring Award, Rice University, April, 2019
Finalist – George R. Brown Prize for Excellence in Teaching, March, 2017
Reviewer of the Year – *Journal of Business and Psychology*, January, 2016
Fellow – Association for Psychological Science (APS), January, 2015
Fellow – Rice Center for Teaching Excellence, Rice University, 2014 - 2017
George R. Brown Award for Superior Teaching, Rice University, 2014
Fellow – APA Division 14, Society for Industrial and Organizational Psychology, 2014
Graduate Student Association Faculty Teaching/Mentoring Award, Rice University, 2010
Baker College Outstanding Faculty Associate, Rice University, 2009-2010
Baker College Distinguished Faculty Associate, Rice University, 2008-2009
Mike York Outstanding Graduate Student Award, School of Psychology, Georgia Institute of Technology, 2002

Grants/Projects Awarded

Agency: Institute for Education Science
Title: Efficient Education Research via the OpenStax Learning Platform
Role: Co-PI
Dates: September 1, 2021 – August 31, 2026
Funds: \$2,000,000

Agency: National Science Foundation
Title: Advancing STEM Outcomes and the Academic Mission of the University: A Model of Self-Study of Contingent Faculty at an R1 Institution
Role: Co-PI
Dates: October, 2021 – December, 2022
Funds: \$150,000

Agency: Rice University Social Science Research Institute
Title: Understanding Learning Strategies to Enhance Learning across the Lifespan
Role: PI
Dates: December, 2020-July, 2022
Funds: \$6,494

Agency: Microsoft Corporation (Microsoft Productivity Grant)
Title: TeamDNA: Productivity-enhancing Tools for Diverse and Distributed Teams
Role: PI
Dates: January, 2020 – December, 2021
Funds: \$125,000

Agency: National Science Foundation

Title: CHS: Small: TeamDNA: Novel Technology-Augmented Methods to Improve Team-based Engineering Education for Diverse Teams

Role: PI

Dates: August 1, 2019 – July 31, 2022

Funds: \$498,000

REU Supplement Summer, 2021: \$24,000

Agency: Rice Scientia, Rice University

Title: Developing an Interdisciplinary Research Agenda for the Future of Work: A Proposal for a Scientia Small Conference

Role: PI

Dates: April, 2019 – March, 2020

Funds: \$34,800

Agency: Doerr Institute for New Leaders Innovation Award, Rice University

Title: Shared leadership and team effectiveness: Towards automatic & continuous assessments of leadership and data-driven leadership intervention

Role: PI

Dates: February, 2019 – January 2020

Funds: \$46,785

Agency: National Science Foundation

Title: Creating technical leaders from early collegians of exceptional promise: A comprehensive program for demolishing barriers to persistence

Role: Co-PI

Dates: 2015 – 2020

Funds: \$999,999

Agency: National Science Foundation

Title: Capacity building for competitive S-STEM proposals

Role: Co-PI

Dates: 2017-2020

Funds: \$381,564

Agency: Howard Hughes Medical Institute

Title: Undergraduate science education – Rice University

Role: Project Collaborator

Dates: July, 2014 – June, 2019

Funds: \$2,500,000

Agency: IBM

Title: Open collaborative research (computer science and psychology)

Role: PI

Dates: January, 2017- January, 2018

Funds: \$50,000

Agency: Fondren Foundation
Title: Arts education metrics study
Role: PI
Dates: 2016-2018
Funds: \$15,964

Agency: Rice University: Social Science Research Institute
Title: Examining the effects of nurses' prosocial responses to stressful events on stress and nursing performance
Role: PI
Dates: 2016-2018
Funds: \$19,952

Agency: Rice University Inter-Disciplinary Excellence Award
Title: Cross-cultural collaboration in design teams: Challenges to teamwork and innovation
Role: Co-PI
Dates: 2016 – 2018
Funds: \$71,362

Agency: Rice University Faculty Initiates Fund
Title: Does making matter? The impact of the making movement on the development of engineering identity and early professional career choices
Role: Co-PI
Dates: 2016-2018
Funds: \$36,676

Agency: Rice University Faculty Initiatives Fund
Title: Inside the undergraduate experience: An investigation of current and best practices, and barriers to implementing evidence-based teaching strategies at Rice University
Role: PI
Dates: 2014-2015
Funds: \$29,921

Agency: Rice University School of Social Sciences
Title: Examining the health and retirement study
Role: PI
Dates: June, 2014
Funds: \$1,100

Agency: Social Sciences Research Institute, Rice University
Title: Cognitive aging, learning, and development
Role: PI
Dates: 2009-2010
Funds: \$12,800

Agency: Rice University ADVANCE Mini-Grant
Title: Predictors of majoring in science and engineering
Role: PI
Dates: 2007-2009
Funds: \$12,440

Invited Talks

- Beier, M. E. (2023, May). Next frontier in aging and retirement research. Keynote at the 35th Annual Convention of the Association of Psychological Sciences, Washington, DC.
- Beier, M. E. (2023, February). Adult intellectual development: Growth, decline, and workplace training. Colloquium talk at the University of California, Riverside.
- Beier, M. E. (2022, October). Lifespan development at work. Paper presented at the Rice and Georgia Tech Stir Fry Summit, Atlanta, GA.
- Beier, M. E., & Davenport, M. K. (2022, September). The psychology of working longer. Roundtable discussion presented at the launch of the book, *Overtime: America's aging workforce and the future of working longer*. Brookings Institution, Washington, DC.
- Beier, M. E. (2022, April). Lifespan learning and development: Implications for organizational training. Colloquium talk at University of Connecticut Department of Psychology.
- Beier, M. E. (2021, September). Implications of lifespan learning and development. Paper given at the Cognitive and Brain Health during Aging webinar sponsored by the Association of Retired Rice University Faculty.
- Beier, M. E. (2021, February). Big data and workforce training and development. Paper presented at the Workforce Science in the Big Data Era: Improving Measurement, Modeling and Meaning workshop sponsored by the Army Research Institute conducted virtually.
- Beier, M. E. (2021, January). The science of learning: Evidence-based approaches to create contexts where learners thrive. Rice University Center of Teaching Excellence Annual Symposium.
- Beier, M. E., & Davenport, M. K. (2019, November). The psychology of working longer. Harvard Center for Population and Development Studies.
- Beier, M. E. (2019, April). The future of work. Classroom Connect, the Association of Rice Alumni and the Susanne M. Glasscock School of Continuing Studies, Rice University, Houston, TX.
- Beier, M. E. (2019, February). Adult development and life's transitions. Distinguished alumna talk presented at the Georgia Institute of Technology, Atlanta, GA.
- Beier, M. E. (2018, January). Workplace aging and jobs in the 21st century. Paper presented at the CREATE: Current and Emerging Trends in Aging and Work conference. Miami, FL.
- Beier, M. E. (2017, May). Industrial and Organizational Psychology and Predicting Success. Arête lecture at the High School for the Performing and Visual Arts, Houston, TX.
- Beier, M. E. (2017, April). Section discussant. The aging workforce and sustainable workplace around the world. Symposium presented at the 32nd Annual Conference of the Society for Industrial and Organizational Psychology.

- Beier, M. E. (2016, May). Section discussant. Cognition at work: A sample of graduate student research. Symposium presented at the 28th Annual Convention of the Association for Psychological Science, Chicago, IL.
- Beier, M. E., (2016, May). Section chair and discussant. Aging at work and retirement. Invited session at 28th Annual Convention of the Association for Psychological Science, Chicago, IL.
- Beier, M. E. (2016, January). Inside the undergraduate classroom: Instructor practices and barriers to implementing active learning strategies at Rice. Symposium at Rice University's Center for Teaching Excellence Workshop.
- Beier, M. E. (2015, June). Engineering self-efficacy: What it is, why it matters, and how to encourage it in engineering learning environments. An example training from the engineering inclusive teaching (EIT): Faculty professional development project. Paper presented at the WEPAN change leader forum. Denver, CO.
- Beier, M. E. (2015, March). Individual differences and adult intellectual development. Invited talk at Texas A&M University Individual Differences Brown Bag. College Station, TX.
- Beier, M. E., Lesko, J., & Amelink, C. (2014, October). Engineering self-efficacy: What it is, why it matters, and how to encourage it in engineering learning environments! [Webinar]. In Engineering Inclusive Teaching: Faculty Professional Development, Powered by WEPAN. Retrieved from <https://www.wepan.org/page/SelfEfficacy>.
- Beier, M. E. (2014, October). Predicting performance and attrition in a Massive Open Online Course. Rice University Psychology Department, I/O Area Colloquium. Houston, TX.
- Beier, M. E. (2013, December). Learning throughout the lifespan: Considerations and research. Invited talk at Colorado State University, Psychology Department I/O Area Colloquium. Fort Collins, CO.
- Beier, M. E. (2012, May). Training an aging workforce: Research and considerations. Invited talk at Texas A&M University, Psychology Department, I/O Area Colloquium. College Station, TX.
- Beier, M. E. (2012, March). The balancing act in graduate school and beyond: Managing your research, your students, and your life. Rice University office of Graduate & Postdoctoral Studies Training Workshop, Houston, TX.
- Beier, M. E. (2010, September). Industrial and organizational psychology at Rice University: Applying psychological principles to the daily grind. Invited talk at Rice University Families Weekend Lecture Series, Houston, TX.
- Beier, M. E. (2008, October). Determinants of learning and development: Ability, personality, and age. Invited talk at Texas A&M University, Department of Psychology, Social area, College Station, TX.
- Beier, M. E. (2005, May). Age and work: Ability, knowledge, and performance. Invited talk at the meeting of the Houston Area Industrial and Organizational Psychology, Houston, TX.
- Beier, M. E. (2005, November). Adult development: The role and determinants of domain knowledge. Invited talk at Michigan State University, Department of Psychology.
- Beier, M. E. (2004, December). Adult development and domain knowledge. Invited talk at the University of Minnesota, Department of Psychology.
- Beier, M. E. (2004, October). Adult intellectual development. Invited talk at Texas A&M University, Department of Psychology, I/O area, College Station, TX.

Professional Activities

Committee Member: External review committee, Purdue University Department Of Psychological Sciences (2022).

Committee Member: Association for Psychological Science Election (Board Nomination) Committee. (2021-present)

Search Committee Member: Editor, *Journal of Experimental Psychology: Applied* (2021- 2022)

Search Committee Member: Editor, *Psychology and Aging*, 2022 – present.

Committee Member: National Academy of Sciences: Consideration of Generational Issues in Workforce Management and Employment Practices (2019 – 2020)

Committee Member: National Academy of Sciences; Science and Practice of Learning Committee (2015 – 2017).

Senior Fellow: Army Research Institute (2018 – 2020)

Advisory Council: Work Science Center at Georgia Institute of Technology

Advisory Board Member: LabX (National Academies of Sciences; 2016-2021)

Reviewer: NIMH. October, 2005

Reviewer: NIH. June, 2009

SIOP Conference program reviewer, 2005, 2008, 2009, 2010, 2014, 2015, 2016

SIOP Consulting and Business Training Assessment Committee, 2008 – 2010

SIOP Program Committee (Reviewer Recruitment Committee), 2006

SIOP Reviewer for the Owens Scholarly Achievement Award for the best I/O article 2010-2015

SIOP Joyce and Paul Thayer fellowship award committee, 2012 - 2015

FAA workshop on entry and retirement age for air traffic controllers, December, 2010

Reviewer: National Research Fund (Luxembourg) dissertation grant proposal review for *Aides à la Formation-Recherche* (AFR), 2012

Reviewer of grant applications for the Israel Science Foundation (ISF), March, 2012

Reviewer: NIH. March, 2013

Conference co-organizer (with Mikki Hebl) for the Academic Women Working to Make a Difference Conference, a meeting of the SIOP Women Fellows, at Rice University, April, 2013

Reviewer: NASA, Space Technology Research Fellowship. February, 2014

Reviewer: NIH. March, 2014

Sloan Research Network on Aging & Work, Founding Member

Reviewer, Programme Officer Vidi Social Sciences, The Netherlands Organisation for Scientific Research (NWO); 2015

Reviewer, Sloan Foundation Grant Program, 2015

SIOP at APS conference planning committee, 2015

SIOP Scientific Advisory Committee (SAC), 2015

SIOP at APS committee chair in training, 2016

SIOP at APS committee chair, 2017 - 2019

SIOP Early Career Contribution Award: Science. Review panel (2016 – 2017)

Review Panel: NIH. June, 2018.

Conference organizer for the Scientia Small Conference, Work in the 21st Century, Automation, Workers, and Society. February 13-14, 2020. <https://scientia.rice.edu/scientia-small-conference-2020>.

Review Panel: NIH: July, 2020.

Review Panel for the US Army Research Institute Foundational Science Research in Behavioral and Social Science Unit. October – December, 2020.

Report Reviewer: Committee on Population at the National Academies of Sciences, Engineering, and Medicine report on the aging workforce (May, 2021)
 Report Reviewer: National Academies of Sciences, Board on Science Education: Imagining the Future of Undergraduate STEM Education Symposium Proceedings (August, 2021)
 Report Reviewer: National Academies of Sciences, Committee on Evidence to Advance Reform in the Global Security and Justice Sectors (October, 2021).
 Ad hoc grant reviewing: NSF. March, 2022.
 Review Panel: NSF. April, 2022.

Editorial Activities

Associate Editor: *Journal of Business and Psychology* (2021 – present)
Journal of Research in Personality (2021 – 2023)
 Consulting Editor: *Work, Aging, and Retirement* (2021 – present)
 Action Editor: Special Issue, *Personnel Psychology: What's age got to do with it?* (2020-2022)
 Action Editor: Special Issue, *Work, Aging, and Retirement* on successful aging at work (2017)
 Editorial Boards: *Human Performance*
Journal of Applied Psychology (2016 – 2021)
Journal of Experimental Psychology: Applied (2008-2013)
Personnel Psychology
Psychological Bulletin
 Ad Hoc Reviewer: *American Psychologist*, *Archives of Scientific Psychology*, *British Journal of Psychology*; *Contemporary Educational Psychology*; *Current Directions in Psychological Science*; *Educational Psychology*; *European Journal of Work and Organizational Psychology*; *Experimental Aging Research*; *Human Performance*; *Industrial and Organizational Psychology: Perspectives on Science and Practice*; *Journal of Aging Research*; *Journal of Applied Psychology*; *Journal of Applied Social Psychology*; *Journal of Experimental Psychology: Applied*; *Journal of Experimental Psychology: Learning, Memory, and Cognition*; *Journal of Managerial Studies*; *Journal of Memory and Language*; *Journals of Gerontology: Personnel Assessment and Decisions: Psychological Sciences*; *Learning and Individual Differences*; *Memory & Cognition*; *Organizational Behavior and Human Decision Processes*; *Personality and Individual Differences*; *Psychological Science*; *Psychology & Aging*; *Psychology & Health*; *Psychonomic Bulletin & Review*; *Sex Roles*; *Social Science & Medicine*; *Work, Aging, and Retirement*

Professional Societies

Adult Development and Aging (APA, Division 20)
 American Psychological Association
 American Educational Research Association
 Association for Psychological Science (Fellow)
 International Society for the Study of Individual Differences
 Society for Industrial and Organizational Psychology (APA, Division 14; Fellow)

Courses

Graduate Foundations of Industrial and Organizational Psychology
 Graduate Personnel Selection
 Graduate Seminar in Special Topics: Applied Psychology and Aging
 Graduate Seminar in Special Topics: Training
 Graduate Seminar in Special Topics: Skill Acquisition
 Undergraduate Industrial and Organizational Psychology
 Undergraduate Personality Theory and Research
 Undergraduate Research Methods
 Undergraduate Psychological Testing

Major University Positions and Departmental Service

Associate Chair – Department of Psychological Sciences, Rice University (2021 – present)
 Area head – Industrial and Organizational Psychology, Rice University (2004 – 2008; 2014 – 2016)
 Coordinator - Industrial and Organizational Psychology Brown Bag Talks, Rice University (2014 – 2023)
 Director, Masters of Social Policy Evaluation (2019 – 2023)
 Scientia Committee (July, 2021 – present)
 Committee Chair: Bylaws Committee, Department of Psychological Sciences (2021- 2023)
 Search Committee Member, Associate Provost for Institutional Effectiveness and Institutional Research (2022-2023)
 Search Committee Member, Department of Psychological Sciences, Assistant Professor of Human Factors (2022)
 Faculty Affiliate, Texas Policy Lab (2018 – present)
 Rice University Committee on Examinations and Standing (2013 – 2015; 2020 - 2022)
 Chair, Faculty Advisory Board, Doerr Institute for New Leaders, Rice University (2019 – 2022)
 Residential College Magister, McMurtry College (2015 – 2020)
 Senior Fellow: Rice Academy of Fellows (2018 – 2022)
 Committee Member, Faculty Senate Grievance Committee, Rice University (2020)
 Committee Member, Faculty Awards Committee, Rice University (2018, 2019).
 Committee Member, Faculty Advisory Committee, Social Science Research Institute (2017-2019)
 Faculty Advisory Board, Doerr Institute for New Leaders, Rice University (2017-2019).
 Search Committee Member, Magister Selection for Brown College (2017)
 Search Committee Member, Department of Psychology, Assistant Professor of I/O (2017)
 Search Committee Member, Department of Psychology, Associate Professor of Cognitive and Affective Neuroscience (2017).
 Search Committee Member, Department of Psychological Sciences, Assistant Professor in Human Factors (2021)
 Committee Member, Provost ad hoc committee on credit threshold approvals (2017).
 Rice University DeLange Conference steering committee, Human, Machines, and the Future of Work (December, 2015 – December 2016)
 Colloquium committee psychology department (2004 – 2016)
 Provost ad-hoc committee on the Student Survey of Sexual Assault (2014) and the Student Climate Survey (2015)
 Provost search committee (2014)
 Faculty senate ad hoc committee on Ombudperson (2014 – 2015)

Faculty senate ad hoc committee on e-learning (2012 – 2013)
Rice University Admissions Committee (2005 – 2010).
Baker College Associate (2004 – 2015).
Divisional Advisor for Social Sciences, Baker College (2005 – 2015).

Community Outreach

Work, well-being, and the future of work. Session of the course, The Future of Work, as part of the Glasscock School of Continuing Studies, Rice University. April, 2018.
Assessing the effectiveness of a mindful arts program in Houston Independent School District. In collaboration with the Hope Project (Hope Stone Inc., <http://hopestoneinc.org/>).

Presentations

- Oxendahl, T., O'Bryan, L. R., & Beier, M. E. (2023, April). Predictors of peer perceptions of competence: A field study of virtual teams. Poster presented at the 38th Annual Conference of the Society for Industrial and Organizational Psychology, Boston, MA.
- Ruffin, M. A., Davenport, M. K., & Beier, M. E. (2023, April). Learning during mandated technology change: Motivational and individual factors. Poster presented at the 38th Annual Conference of the Society for Industrial and Organizational Psychology, Boston, MA.
- Davenport, M. K., & Beier, M. E. (2023, April). Reconsidering the role of error encouragement in error management training. Poster presented at the 38th Annual Conference of the Society for Industrial and Organizational Psychology, Boston, MA.
- Beier, M. E. (2023, April). Women academic leaders, networking, and careers: Storytelling and roundtables. Panel discussion at the 38th Annual Conference of the Society for Industrial and Organizational Psychology, Boston, MA.
- Momin, S., Davenport, M. K., Beier, M. E. (2022, August). Evaluating the impact of goals on healthcare leadership training outcomes. Poster presented at Rice University's Summer Undergraduate Research Symposium. Houston, TX.
Winner, Mastery in Presentation Award.
- Cantillo, J., McSpedon, M., & Beier, M. E. (2022, August). Investigating the working conditions of contingent faculty at Rice: A qualitative exploration. Poster presented at Rice University's Summer Undergraduate Research Symposium. Houston, TX.
Winner, Excellence in Presentation Award
- Martinez Perez, K., McSpedon, M. R., & Beier, M. E. (2022, August). Investigating the impact of a summer bridge program on STEM identity development: A longitudinal study. Poster presented at Rice University's Summer Undergraduate Research Symposium. Houston, TX.
Winner, Excellence in Presentation Award
- Ruffin, M. A., Davenport, M. K., & Beier, M. E. (2022, May). Learner self-directedness in the workplace: Investigating predictors and relationships to self-reported knowledge. Poster presented at 34th Annual Convention of the Association of Psychological Science, Chicago, IL, United States.
- Davenport, M. K., Ruffin, M., & Beier, M. E. (2022, April). Who is resilient to ineffective technology rollout? Poster presented at the 37th Annual Conference of the Society for Industrial and Organizational Psychology. Seattle, WA.

- McSpedon, M. R., Beier, M. E., & Hanks, A. R. (2022, April). Predicting STEM attrition: The development of a measure of undergraduate retention. Poster presented at the 37th Annual Conference of the Society for Industrial and Organizational Psychology. Seattle, WA.
- O'Bryan, L. R., Oxendahl T. A., Beier, M. E., & Sabharwal, A. (2021, May) Communication and the emergence of collective intelligence in virtual teams. Paper presented at the 33rd Annual Convention of the Association for Psychological Science Convention. Virtual Conference.
- Sutton, R., Beier, M. E., & Davenport, M. K. (2021, May). Generativity and Agency: Do gender and age matter? Poster presented at the 33rd Annual Convention of the Association for Psychological Science, Virtual Convention.
- Tippins, N., Kalleberg, A., Wang, M., Beier, M. E., & Childers, C. (2021, May). Are generational categories meaningful distinctions for workforce management? Paper presented at the Population Across America (PAA) Annual Meeting. Virtual Conference.
- Beier, M. E. (2021, April). Non-g-centric models of cognitive abilities and their relevance to I-O psychology. Panel discussion at the 36th Annual Conference of the Society for Industrial and Organizational Psychology. Virtual Conference.
- Beier, M. E. (2021, April). Teaching cultural differences in cognitive test scores: Challenges and best practices. Panel discussion at the 36th Annual Conference of the Society for Industrial and Organizational Psychology. Virtual Conference.
- Beier, M. E. (2021, April). Training an aging workforce. Paper presented as part of an Ignite session, Obstacle or Opportunity for the Future of Work: The Age-Diverse Workforce, at the 36th Annual Conference of the Society for Industrial and Organizational Psychology. Virtual Conference.
- Davenport, M. K., Beier, M. E., Wang, S., Hanks, A. R., & Crook, A. E. (2021, April). Examining the self-regulatory mechanisms underlying age differences in the effectiveness of error management training. Paper presented at the 36th Annual Conference of the Society for Industrial and Organizational Psychology. Virtual Conference.
- Davenport, M. K., & Beier, M. E. (2021, April). Age differences in strategy use during reskilling. Paper presented at the 36th Annual Conference of the Society for Industrial and Organizational Psychology. Virtual Conference.
- Kim, M. H., & Beier, M. E. (2020, June). Perceived work environment, job characteristics, job-related mental health: How they change and interact across the working lifespan in a 19-Year longitudinal study. Poster presented at the 35th Annual Conference of the Society for Industrial and Organizational Psychology. Virtual Conference.
- Davenport, M. K., & Beier, M. E. (2020, May). Who anticipates working longer? Applying the job demands-resources model to predict retirement intentions. Poster accepted for the 32nd Annual Convention of the Association for Psychological Science. Chicago, IL. (Conference canceled).
- Beier, M. E., Gilberto, J. M., & Davenport, M. K. (2019, July). Personality, health, wealth, and subjective well-being: Testing an integrative model with retired and working older adults. Poster presented at the 2019 Conference of the International Society for the Study of Individual Differences. Florence, Italy.
- O'Bryan, L., Cao, J., Torres, W. J., Sabharwal, A., & Beier, M. E. (2019, May). Objective measurement of individual-level communication behaviors underlying interactions within diverse teams. Poster presented at the 31st Annual Convention Association for Psychological Science. Washington, D. C.
- Torres, W. J., Gilberto, J. M., Beier, M. E., Cockerham, M., & Motowidlo, S. J. (2019, May). Work experience as a moderator of the relationship between prosocial knowledge and job

- performance. Poster presented at the 31st Annual Convention Association for Psychological Science. Washington, D. C.
- Kim, M. H. J., Hanks, A. R., & Beier, M. E. (2019, April). How vocational interest influences career trajectories in an eleven-year longitudinal study. Paper presented at the 34th Annual Conference of the Society for Industrial and Organizational Psychology. Washington, DC.
- Ghandour, L., Beier, M. E., Kim, M. H. J. (2019, April). Image theory as a model of vocational fit. Paper presented at the 34th Annual Conference of the Society for Industrial and Organizational Psychology. Washington, DC.
- Torres, W. J., Cao, J., Zajac, S. A., Paoletti, J., Reyes, D. L., Beier, M. E., Sabharwal, A., & Salas, E. (2019, April). Objective measurement of conversational interactions in design teams. Poster presented at the 34th Annual Conference of the Society for Industrial and Organizational Psychology. Washington, DC.
- Bradford, B. C., & Beier, M. E. (2019 April). Two-year psychological and STEM outcomes of a university STEM summer bridge program. Poster presented at the 34th Annual Conference of the Society for Industrial and Organizational Psychology. Washington, DC.
- Kim, M. H. J., Hanks, A. R., & Beier, M. E. (2019, April). The role of perceived values in STEM activities in improving STEM retention of URM students and women. Paper presented at the 34th Annual Conference of the Society for Industrial and Organizational Psychology. Washington, DC.
- Shaw, A., & Beier, M. E. (2019, April). Effects of time and material constraints on creativity. Poster presented at the 34th Annual Conference of the Society for Industrial and Organizational Psychology. Washington, DC.
- Shaw, A., & Beier, M. E. (2019, April). Development and validation of a videogame-based task for creativity. Poster presented at the 34th Annual Conference of the Society for Industrial and Organizational Psychology. Washington, DC.
- Torres, W. J., Beier, M. E., Fisher, G. G., & Wallace, L. E. (2018, May). Cognitive ability and demands fit on mental and learning work ability of older adults. Poster presented at the 30th Annual Convention of the Association for Psychological Science. San Francisco, CA.
- Gilberto, J. M., & Beier, M. E. (2018, May). Post-retirement subjective well-being and retirement satisfaction: A gendered experience. Poster presented at the 30th Annual Convention of the Association for Psychological Science. San Francisco, CA.
- Bradford, B. C., Oswald, F. L., & Beier, M. E. (2018, May). A meta-analysis of STEM summer academic bridge programs. Poster presented at the 30th Annual Convention of the Association for Psychological Science. San Francisco, CA.
- Kim, M. H., & Beier, M. E. (2018, May). The effect of authentic project-based learning on attitudes and career aspirations in STEM. Poster presented at the 30th Annual Convention of the Association for Psychological Science. San Francisco, CA.
- Beier, M. E. (2018, April). SIOP Select: Active aging at work: Implications for science and practice. Paper presented at the 33rd Annual Conference of the Society for Industrial and Organizational Psychology. Chicago, IL.
- Bradford, B. C., & Beier, M. E. (2018, April). High school experiences predict first-year college STEM outcomes. Poster presented at the 33rd Annual Conference of the Society for Industrial and Organizational Psychology. Chicago, IL.
- Beier, M. E., Torres, W. J., Fisher, G. G., & Wallace, L. E. (2017, November). Age and job fit: The effect of demand-ability fit on perceptions of work ability and retirement expectations. Poster presented at the 4th Age in the Workplace Small Group Meeting, Lüneburg, Germany.

- Beier, M. E. (2017, November). Knowledge is the older worker advantage, but what is knowledge? Poster presented at the 4th Age in the Workplace Small Group Meeting, Lüneburg, Germany.
- Beier, M. E., Kanfer, R., & LoPilato, A. (2017, June). The role of work-related personality traits in the decision to retire. Paper presented at the 5th Biennial Conference of the Association for Research in Personality. Sacramento, CA.
- Torres, W. J., & Beier, M. E. (2017, May). Measurement of adult intellectual development: Validity and reliability of a current events knowledge assessment. Poster presented at the 29th Annual Convention of the Association for Psychological Science, Boston, MA.
- Randall, J. G., & Beier, M. E. (2017, May). Mind wandering: Theoretical and empirical establishment of a nomological network. Poster presented at the 29th Annual Convention of the Association for Psychological Science, Boston, MA.
- Kim, M. H., & Beier, M. E. (2017, May). Impact of 'making' on retention in STEM fields. Poster presented at the 29th Annual Convention of the Association for Psychological Science, Boston, MA.
- Torres, W. J., Beier, M. E., & Gilberto, J. M. (2017, April). Well-being and retirement expectations: The role of activity variety. Poster presented at the 32nd Annual Conference of the Society for Industrial and Organizational Psychology, Orlando, FL.
- Gilberto, J. M., & Beier, M. E. (2017, April). Reducing the gender gap in STEM education using authentic projects. Paper presented at the 32nd Annual Conference of the Society for Industrial and Organizational Psychology, Orlando, FL.
- Torres, W. J., & Beier, M. E. (2017, April). Determinants of autonomous learning using investment theories of adult intelligence. Poster presented at the 32nd Annual Conference of the Society for Industrial and Organizational Psychology, Orlando, FL.
- Rivas, A. & Beier, M. E. (2017, January). Effect of previous knowledge and repeated testing on long-term retention of older and younger adults. Poster presented at the Dallas Aging & Cognition Conference, Dallas, TX.
- Rivas, A. & Beier, M. E. (2016, May). Role of context in a testing effect paradigm. Poster presented at the 28th Annual Convention of the Association for Psychological Science, Chicago, IL.
- Shields, A. N., & Beier, M. E. (2016, May). Occupational FTP predicts interest in training. Poster presented at the 28th Annual Convention of the Association for Psychological Science, Chicago, IL.
- Gilberto, J. M., & Beier, M. E. (2016, April). Subjective well-being in retirement: How personality moderates retirement satisfaction. Poster presented at the 31st Annual Conference of the Society for Industrial and Organizational Psychology, Anaheim, CA.
- Young, C. K., & Beier, M. E. (2016, April). Training and the workforce: Theoretical implications as workers age. Paper presented at the 31st Annual Conference of the Society for Industrial and Organizational Psychology, Anaheim, CA.
- Crook, A. E., & Beier, M. E. (2016, April). Assessing relations among prosocial knowledge, coping, and OCBs using SJTs. Paper presented at the 31st Annual Conference of the Society for Industrial and Organizational Psychology, Anaheim, CA.
- Torres, W. J., & Beier, M. E. (2016, April). Self-efficacy, self-concept, and persistence in STEM. Paper presented at the 31st Annual Conference of the Society for Industrial and Organizational Psychology, Anaheim, CA.
- Randall, J. G., Beier, M. E., & Villado, A. J. (2016, April). Working memory and mind wandering in task performance. Paper presented at the 31st Annual Conference of the Society for Industrial and Organizational Psychology, Anaheim, CA.

- Bishnoi, S., Léataud, V., Saterbak, A., Torres, J., Beier, M., Eich, L., Gilbertson, M., & Richards-Kortum, R. (2016, March). Sustaining excellence in research educational programs: Authentic research experiences throughout the curriculum. Poster presented at the Freshman Research Initiative (FRI) Biennial Conference, Austin, TX.
- Gilberto, J. M., & Beier, M. E. (2015, May). Effectiveness of active learning teaching strategies as indicated by course syllabi. Poster presented at the 27th Annual Convention of the Association for Psychological Science, New York, NY.
- Ghandour, L., & Beier, M. E. (2015, May). Image theory as a model of vocational fit. Poster presented at the 27th Annual Convention of the Association for Psychological Science, New York, NY.
- Torres, W. J., Beier, M. E., & Ackerman, P. L. (2015, May). An exploration of trait complexes' influence on adult intellectual development. Poster presented at the 27th Annual Convention of the Association for Psychological Science, New York, NY.
- Beier, M. E. (2015, April). Aging and work issues: Research, best practices, and the future. Panel discussion at the 30th Annual Conference of the Society for Industrial and Organizational Psychology, Philadelphia, PA.
- Beier, M. E., Rixner, S., Warren, J., & Young, C. K. (2015, April). Massive open online course usage: Performance, attrition, and attitude change. Paper presented at the 30th Annual Conference of the Society for Industrial and Organizational Psychology, Philadelphia, PA.
- Young, C. K., & Beier, M. E., (2015, April). Integrating technology and training: New developments and frontiers (Young and Beier Chairs). Symposium presented at the 30th Annual Conference of the Society for Industrial and Organizational psychology, Philadelphia, PA.
- Davenport, M. K., & Beier, M. E. (2015, March). Retirement and subjective wellbeing: An investigation of the moderating effect of personality. Poster presented at the American Society on Aging, Aging in American Conference in Chicago, IL.
- Randall, J. G., & Beier, M. E. (2014, May). Mind wandering and mindfulness: Self-regulation at work (Randall & Beier Chairs). Symposium presented at the 29th Annual Conference of the Society for Industrial and Organizational Psychology, Honolulu, HI.
- Voted one of 15 most-favorite sessions form the SIOP 2014 post-conference survey.**
- Randall, J. G., & Beier, M. E. (2014, May). Examining task difficulty and mind wandering within resource allocation theory. Paper presented at the 29th Annual Conference of the Society for Industrial and Organizational Psychology, Honolulu, HI.
- Young, C. K., Ghandour, L., & Beier, M. E. (2014, May). The development of a measure of career orientation. Poster presented at the 29th Annual Conference of the Society for Industrial and Organizational Psychology, Honolulu, HI.
- Beier, M. E. (2014, May). Motivation for training and development: Considerations for an aging workforce. Paper presented at the 29th Annual Conference of the Society for Industrial and Organizational Psychology, Honolulu, HI.
- Beier, M. E. (2013, April). Combatting turnover through giving employees what they want. Panel discussion at the 28th Annual Conference of the Society for Industrial and Organizational Psychology, Houston, TX.
- Beier, M. E. (2012, April). Session Discussant. Teaching older learners new tricks: Adapting training for older learners. Symposium presented at the 27th Annual Conference of the Society for Industrial and Organizational Psychology, San Diego, CA.
- Martin, M., Beier, M. E., & Motowidlo, S. J. (2012, April). Situational judgment tests: Relationships with emotional intelligence, interests, and personality. Interactive poster session presented at

- the 27th Annual Conference of the Society for Industrial and Organizational Psychology, San Diego, CA.
- Beier, M. E. (2011, May). Personalized training: Age, personality, and ability considerations. Paper presented at the Jacobs Center for Lifelong Learning Conference on Personalized Aging, Jacobs University, Bremen, Germany.
- Beier, M. E. (2011, April). Ability, personality, and motivational influences on aging and work. Symposium presented at the 26th Annual Conference of the Society for Industrial and Organizational Psychology, Chicago, IL.
- Beier, M. E., Wang, S., Hanks, A. R., & Crook, A. E. (2011, April). Designing training for different types of learners: Age matters. Paper presented at the 26th Annual Conference of the Society for Industrial and Organizational Psychology, Chicago, IL.
- Hanks, A. R., & Beier, M. E. (2011, April). The evaluation and effects of workplace shock experiences. Poster presented at the 26th Annual Conference of the Society for Industrial and Organizational Psychology, Chicago, IL.
- Crook, A. E., Beier, M. E., Cox, C. B., Kell, H. J., & Hanks, A. R. (2011, April). A single-response situational judgment test: Validity and relationship with personality. Interactive poster presented at the 26th Annual Conference of the Society for Industrial and Organizational Psychology, Chicago, IL.
- Cox, C. B. & Beier, M. E. (2011, January). Supervisors' actual and relative ages predict performance evaluations via attributions for poor performance. Poster session presented at the 12th Annual Conference for the Society of Personality and Social Psychology, San Antonio, TX.
- Cox, C. B., & Beier, M. E. (2010, August). Too old to train or punish: Exploring the effects of age on causal attributions. Paper presented at the 70th Academy of Management Annual Meeting, Montreal, Canada.
- Wang, S., & Beier, M. E. (2010, May). Who chokes under pressure? Poster presented at the 22nd Annual Convention of the Association for Psychological Science, Boston, MA.
- Beier, M. E., & Beal, D. J. (2010, April). The importance of job characteristics in the relation between age and job performance. Paper presented at the 25th Annual Conference of the Society for Industrial and Organizational Psychology, Atlanta, GA.
- Fink, A., Guzzo, R., Adler, S., Gillespie, J. Z., Konczak, L., Olson, T., Beier, M. E., & Dickson, M. (2010, April). Educating I/O psychologists for consulting and business: A skills-based perspective. Paper presented at the 25th Annual Conference of the Society for Industrial and Organizational Psychology, Atlanta, GA.
- Beier, M. E., & Rittmayer, A. D. (2009, November). Predictors of commitment and success of STEM majors. Paper and poster presented at the ADVANCE research symposium at Rice University, Houston, TX.
- Crook, A. E., Kell, H. J., & Beier, M. E. (2009, May). Helping behavior among students: Who chooses to help and who receives help? Poster presented at the 21st Annual Convention of the Association for Psychological Science, San Francisco, CA.
- Wang, S., Beier, M. E., & Watkins, M. J. (2009, May). Demonstrating semantic priming without using primes. Poster presented at the 21st Annual Convention of the Association for Psychological Science, San Francisco, CA.
- Crook, A. E., Kell, H. J., Cox, C. B., & Beier, M. E. (2009, April). SJTs used as training content: Validation with a field sample. Poster presented at the 24th Annual Conference of the Society for Industrial and Organizational Psychology, New Orleans, LA.

- Motowidlo, S. J., & Beier, M. E. (2009, April). Implicit trait policies, job experience, and the scoring of SJTs. Paper presented at the 24th Annual Conference of the Society for Industrial and Organizational Psychology, New Orleans, LA.
- Beier, M. E., Crook, A. E., & Campbell, M. (2008, December). Ability and non-ability determinants of knowledge structure development. Paper presented at the Ninth Annual Conference of the International Society of Intelligence Researchers, Atlanta, GA.
- Cox, C. B., & Beier, M. E. (2008, August). Framing training to increase interest: Effects of efficacy and goal orientation. Paper presented at the 68th Academy of Management Annual Meeting, Anaheim, CA.
- Cox, C. B., Kell, H. J., & Beier, M. E. (2008, May). Predicting success in teaching math: The role of knowledge, pedagogy, and classroom environment. Poster presented at the 20th Annual Convention of the Association for Psychological Science, Chicago, IL.
- Crook, A. E., Miller, L. M., & Beier, M. E. (2008, May). Learner control over path structure in e-learning environments: Learning and attitudinal outcomes. Poster presented at the 20th Annual Convention of the Association for Psychological Science, Chicago, IL.
- Rittmayer, A. D., & Beier, M. E. (2008, May). Commitment and success in science, technology, engineering, and mathematics: Exploring gender, self-efficacy, and experiences as predictors. Poster presented at the 20th Annual Convention of the Association for Psychological Science, Chicago, IL.
- Beier, M. E. (2008, April). Frontier Series Learning, Training, and Development in Organizations. Panel presented at the 23rd Annual Conference of the Society for Industrial and Organizational Psychology, San Francisco, CA.
- Cox, C. B., & Beier, M. E. (2008, February). Why Do They Do It: Perceived Rewards of Training Predict Interest in Training and Development. Poster presented at the 16th Annual Mid-Winter Conference of the Society of Consulting Psychology, Austin, TX.
- Barron, L. G., Motowidlo, S. J., Beier, M. E., Kantrowitz, T., Holladay, C. L., & Engells, T. E. (2007, April). SME trait effectiveness disagreement in situational judgment test scoring. Poster presented at the 22nd Annual Conference of the Society for Industrial and Organizational Psychology, New York, NY.
- Beier, M. E., & Campbell, M. (2007, April). Age and Learning in Technology Training. Paper presented at the 22nd Annual Conference of the Society for Industrial and Organizational Psychology, New York, NY.

- Ackerman, P. L., Beier, M. E., & Kanfer, R. (2000, July). Personality, self-concept, motivational traits, and adult intellect. Paper presented at the 10th European Conference on Personality, Cracow, Poland.
- Bowen, K. R., Beier, M. E., & Ackerman, P. L. (2000, June). Gender differences in knowledge: Picking up where ability testing leaves off. Poster presented at the 12th Annual Convention of the American Psychological Society, Miami, FL.
- Beier, M. E., Bowen, K. R., & Ackerman, P. L. (2000, June). Determinants of self-reported knowledge and actual knowledge. Poster presented at the 12th Annual Convention of the American Psychological Society, Miami, FL.

Beier, M. E., & Ackerman, P. L. (2000, April). Cognitive ability determinants of current-events knowledge in adults. Poster presented at the Eighth Biennial Cognitive Aging Conference, Atlanta, GA.

Mentorship Activities

Dissertation Committees Chaired

Bradford, Brittany C. *Examining STEM formative experiences and college STEM outcomes from a social cognitive career theory perspective*. Defended June, 2020. Dr. Bradford is a post-doctoral researchers at OpenStax.

Kim, Michelle H-J. *Changes in perceived work environment and job-related mental health across the working lifespan in a 19-year longitudinal study*. Defended May, 2020. Dr. Kim is a research scientist at the Army Research Institute.

Torres, W. Jackeline. *A Lifespan Perspective on Proactive Socioemotional Behaviors and Work Attitudes and Performance*. Defended February, 2020. Dr. Torres works in People Analytics at Google.

Alda Rivas. *Can repeated retrieval reduce the associative deficit in older adults?* Defended March, 2018. Dr. Rivas is an Interdisciplinary Research Psychologist at the U.S. Census Bureau.

Amy Shaw. *How time and material constraints affect creativity in Minecraft*. Defended December, 2017. Dr. Shaw is an Assistant Professor, Department of Psychology, University of Macau, China.

Carmen K. Young. *Age and training: A meta-analysis examining training design features*. Defended December, 2016. Dr. Young is a People Research Scientist at Twitter.

Louma Ghandour. *Stability of college students' fit with their academic major and the relationship between academic fit and occupational fit*. Defended December, 2012. Dr. Ghandour is the director of the Office of Faculty Development at Rice University.

Amy E. Crook. *Training soft skills: The added value of behavior modeling and the role of personality*. Defended April, 2012. Dr. Crook is Vice President for Transformative Innovation, Character, & Purpose at Belmont University.

Shu Wang. *Individual differences in adaptation to changes*. Defended December, 2011. Dr. Wang is a Consultant at Mobley Group Pacific.

Ashley Rittmayer Hanks. *Employee withdrawal and turnover: The effects of workplace events*. Defended November, 2010. Director, Talent Management, Talogy.

Max McDaniel. *Dual process models of personality: Implications for predicting behavior*. Defended August, 2009. Dr. McDaniel is currently a consultant with Verison Wireless.

Cody Cox. *The role of age in causal attributions for poor performance: Target and rater effects*. Defended September, 2009. Dr. Cox is currently an Associate Professor, Saint Mary's University, San Marcos, TX.

Anna Hardigree. *Work generativity from a life cycle, career stage model, and gender-role perspective: An examination of individual differences and moderating factors that influence work generativity in Managers*. Defended July, 2008. Dr. Hardigree is currently a program analyst for the Air Force.

Madeline Campbell. *Error management training from a resource allocation perspective: An investigation of individual differences and the training components that contribute to transfer*. Defended April, 2007. Dr. Campbell (Carter) is currently a Senior Lecturer at Northumbria University Newcastle, UK

Dissertation Committees

- Amruti Pai. *Computational measures of dietary patterns from digital health data* (ECE Student). Defended January, 2023.
- Evan Mulfinger. *Using the job-demands resource model to predict retention-related outcomes in animal welfare volunteers*. Defended August, 2022.
- Leo Alexander, III. *Making decisions about adverse impact: The influence of individual and situational differences*. Defended, August, 2022.
- Tiffany Bisbey. *Shouting into the void: Examining the consequences of low voice receptivity on self-regulation behaviors and well-being*. Defended, August, 2022.
- Madeline Burns. *Understanding how divergence in diet breadth and the degree of environmental variability contribute to individual differences in decision-making and learning*. Defended August, 2021. (Biosciences Student.)
- Xu Chen. *TeamDNA: Automatic measures of effective teamwork processes from unconstrained team meeting recordings*. Defended June, 2021. (ECE Student)
- Rebecca Smith. *Computer science education at scale: Providing personalized and interactive learning experiences within large introductory courses*. Defended November, 2019. (Computer Science Student)
- Josh Reagan. *The philosophy of logic and its epistemic significance*. Defended August, 2018. (Philosophy Student)
- Terry Tang. *Data-driven tools for introductory computer science education*. Defended August, 2018. (Rice Computer Science student; currently employed at Facebook)

- Carmen K. Young. *The effects of structure and metacognitive prompts on adaptive transfer*. Defended February, 2015.
- Amy Crook. *Training in dyads: Cost-effective or costly for later performance?* Defended April, 2008. Winner of the Ken Laughery Award for Outstanding Master’s Thesis, 2008.
- Max McDaniel. *An investigation of the validity of implicit measures of personality*. Defended April, 2007.

Anna Hardigree. *Meta-analysis of the age and job performance relation: Is job complexity a moderator?* Defended April, 2006.

Master's Thesis Committees

Lorena A. Ferguson. *The impact of retirement on emotional mnemonic discrimination.* Defended September, 2022.

Felix Wu. *Zooming in on writing skills: An examination of psychological processes and individual differences in virtual classrooms.* Defended February, 2022.

Leo Alexander, III. *Rater sensitivity and bias in adverse impact decision-making: A signal detection theory approach.* Defended November, 2021.

Amanda Woods. *What does it take to lead change? A qualitative approach to identifying change leader functions and competencies.* Defended April, 2019.

Denise Reyes. *You get what you're not afraid to ask for: The role of gender-based rejection sensitivity on gender differences in negotiation initiation.* Defended April, 2018.

Yingxue Tian. *The domain-specificity of serial order short-term memory.* Defended March, 2018.

Abby Corrington. *I think, therefore I am: A multicultural examination of the effects and mechanisms of power posing in a negotiation setting.* Defended March, 2018.

Julie Dinh. *Cultural competency in healthcare providers: A qualitative investigation.* Defended March, 2018.

Carlos A. Moreno. *Promoting first-generation Latino success through parental pro-educational interventions.* Defended, December 2016.

Kamalika Ghosh. *Personality traits, prosocial knowledge, charismatic leadership behavior, and clinical performance of Indian medical students.* Defended January, 2016.

Christine L. Nittrouer. *Lacking a voice: Bias against women as academic speakers at top universities.* Defended December, 2015.

Victoria Mattingly (Colorado State University). *Counteracting student resistance to spaced learning using the theory of planned behavior.* Defended April, 2015.

Amy (Ting Xiao) Shaw. *Reasoning fast and slow: Investigating cognitive abilities, speed and effects of personality traits.* Defended April, 2015.

Alda Rivas. *Do older adults benefit from effortful retrieval during testing?* Defended April, 2015.

Debshila Basu Mallick. *Audiovisual phonetic identification training improves multisensory speech perception and increases fMRI response in the superior temporal sulcus (STS).* Defended March, 2014.

Christina L. Upchruch. *Adaptive performance: The role of knowledge structure flexibility.* Defended April, 2013.

Jason Randall. *Retest performance on the Wonderlic Personnel Test: An examination of race and sex differences and redemptive versus non-redemptive samples.* Defended November, 2012.

Seydahmet Ercan. *Assessing adverse impact: An alternative to the four-fifths rule.* Defended April, 2012.

Jisoo Ock. *Practical impact of predictor reliability for personnel selection decisions.* Defended April, 2012.

Katherine Bachman. *The influence of work-family balance based realistic job previews on job decisions in academia.* Defended January 2011.

Michelle Martin. *The generalizability of knowledge as measured by a single-response situational judgment test across domains.* Defended January, 2011.

Larry Martinez. *Childhood cancer survivors: Workplace experiences.* Defended July, 2010.

Amber Raley. *Can't get it out of my head: The role of gender in the relations between rummative styles, negative affect, and stress behaviors*. Defended May, 2009.

Harrison J. Kell. *Social desirability and situational judgment tests: The role of implicit trait policies*. Defended May, 2008.

Bobby Naemi. *Measuring and predicting extreme response style: a latent class approach*. Defended April, 2006.

Minmin Yang. *Perception of randomness: Bias, learning, and transfer*. Defended January, 2006.

Undergraduate Honors Theses Supervised

Tomas Russo. *Air pollution, cognitive function, and depression: Does socioeconomic status matter?* Defended May, 2022.

Ruilin (Jerry) Wu. *Team member personality and teamwork experience in problem-solving*. Defended May, 2020.

Jennifer Lee. *Adolescent's evaluation of self-efficacy and career goals*. Defended May, 2020.

Elisabeth Kalomeris. *Age and motivation in charitable giving: The positivity effect and decision-making in older adults*. Defended May, 2018.

Luis Rodriguez. *Value affirmation intervention effects on pre-medical undergraduate students professional identity*. Defended May, 2017 as part of RUSP. Mr. Rodriguez works at MD Anderson in Houston, TX.

Maggie Edmunds. *Alleviating academic stereotype threat for student-athletes*. Defended May, 2016. Ms. Edmunds works at PricewaterhouseCoopers in Chicago, IL.

Lizzie Garcia. *Belief in change: Our understanding of how the world works predicts our social interest and impacts our wellbeing*. Defended May, 2016. Ms. Garcia is in the Psy.D. Program in Clinical Psychology at Xavier University

Meghan Davenport. *Retirement and subjective well-being. Rice University Psychology Honor's Project*. Defended May, 2015. Ms. Davenport is a graduate student in the I/O program at Rice University.

Allison Shields. *The effect of age on training motivation: A proposal for a training framing study*. Rice University Psychology Honor's Project. Defended May, 2015. Ms. Shields is a graduate student in Clinical Psychology at Northwestern University.

Ashley Membere. *Self-efficacy, not defensive pessimism, is related to exam performance*. Rice University Scholars Program (RUSP) thesis completed April, 2013. Ashley has a Ph.D. in I/O psychology from George Mason University.

Jiwen Li. *Future time perspective on social interactions within and outside the workplace*. Rice University Scholars Program (RUSP) thesis and Psychology Department Honor's thesis defended April, 2013. Ms. Li is in medical school.

Alisa Yu. *Investigating cultural differences in Asian international and American students*. Rice University Scholars Program (RUSP) thesis and Psychology Department Honor's thesis defended April, 2012. Ms. Yu is enrolled in the Organizational Behavior Program at Stanford University.

Bonny Chang. *The criterion validity of the borderline personality features scale for children in an adolescent inpatient setting*. Defended May, 2009. Dr. Chang graduated from Texas A&M University in Counseling Psychology.

Natalie Wolfson. *The effects of humor on performance in training*. Defended May, 2007. Dr. Wolfson obtained her Ph.D. in I/O Psychology from Colorado State University.
